

# A Note from...

**John Fowler**  
TCS HEAD OF SCHOOL

---

Dear Parents,

I know by now you have heard a great deal about the Coronavirus. While we do not know if there will be an outbreak in San Diego, please know that we are monitoring the situation carefully and have plans to protect your children at school if it occurs. Your children's well-being is our primary concern and we will do all we can to keep TCS a safe place. As always, you can help us by keeping your child home for at least 24 hours after he or she has had a fever.

Sincerely,

A handwritten signature in black ink that reads "John Fowler". The signature is written in a cursive, flowing style.

John Fowler  
*Head of School*
