

# The Dance Academy Covid-19 Protocols for Safe In-Studio Classes

**When we are allowed to resume in-studio classes, an updated schedule will be available with added classes and amended times. (We will try to keep classes on the same days as the Zoom Schedule) You will also receive more details and updates regarding Safety Protocols and Procedures.**

We will follow CDC guidelines and State & County requirements.

There will be a drop off only system. Parents are not allowed on campus. Students will be met at the gate and escorted to class. After class they will be escorted to the gate to meet parents. Children under 6 may be escorted by a parent to the studio.

There will be temperature checks, a health screening and hand sanitizing prior to entering the studio. Anyone with an elevated temperature will not be allowed in the facility.

There will be 15 minutes between classes to reduce crossovers and to have time to clean & disinfect the studios. Studios will be cleaned and sanitized daily.

Masks will be required for teachers, students and parents.

Students to arrive on time dressed in dance attire. Only bring dance shoes & water bottle.

There will be no dressing area. Bathrooms for emergency use only.

Class sizes will be limited to match the size of the room and to allow for adequate social distancing. There may be a need to have a hybrid system for some classes. (alternating students between in-class and virtual live Zoom classes)

There will be the option of doing all classes on Zoom with "Virtual Live"

For Social Distancing, there will be 6ft markings on the floor and the barres.

All doors and windows will be open to improve circulation.

**Thank you for your understanding and patience as we work through this time together.**
