

A Note From...

John Fowler
TCS HEAD OF SCHOOL

Dear Friends,

I know that many of you have seen news reports regarding a joint statement from LAUSD and SDUSD, stating that these districts will be doing online learning in the fall.

We continue to monitor the situation based on advice from state and local health agencies, and will follow their directives regarding school closures. At this time, there is no information indicating that other schools, public or private, will be prevented from resuming in-person instruction.

As always, please feel free to call me with any questions.

Be well,
