

A Note From...

Marilyn
TCS Office Manager

Dear Families,

I hope you are all enjoying your summer.

I want to thank all of you that have done your online emergency forms, the informed consent document, as well as the licensing forms for our early childhood kids.

For those of you who have yet to turn in forms, please do so as soon as possible.

Please note, even if your child begins the year in distance learning, we still need the forms to be completed for them to be able to start school.

We have all been working hard this summer to get the school ready for you and we are looking forward to seeing your kids back on campus again (whenever that might be).
