

A Note From...

John Fowler
TCS HEAD OF SCHOOL

Dear Friends,

I know many of you are waiting to hear news regarding the waiver for our elementary division to open for in-person learning. We learned today from county officials that the state has a backlog of waiver applications they are processing, and this may delay our receiving a response. From what we have been told, this should not have an effect on the overall timeline, and our goal continues to be to re-open on August 31.

We will let you know as soon as we have any additional information.

Best,
